

Prastuti Karmacharya

Address: Patan
Phone: 9860922456
Email: praskim143@gmail.com
Date of Birth: Oct. 27, 2000

Objective

As a passionate and dedicated software developer, my goal is to contribute my technical expertise and creative problem-solving skills to a dynamic and innovative team. With a commitment to continuous learning and staying abreast of industry trends, I aim to make impactful contributions to projects that not only meet but exceed client expectations. Seeking a challenging and rewarding position where I can collaborate with like-minded professionals to build robust and scalable software applications, while fostering a culture of innovation and excellence.

Work Experience

August, 2024 - October, 2024	Frontend Developer Exam-Mate Remote Developed and maintained responsive designs across all platforms and implementing new features and updates as per client requirements.
June, 2024 - September, 2024	Frontend Developer - React JS Codavatar Kalopul During my React internship at Codavatar, I built projects using React.js,Tailwind, Axios, Redux, RTK Query, and Zustand. I also contributed to the company's product by creating dashboard using chartjs and handled bug fixes.
November, 2023 - January, 2024	Software Engineer Intern Leapfrog dillibazar During my internship, I completed assignments in JavaScript,T ypeScript, Node.js, and PostgreSQL. I applied these skills to develop a recipe sharing system and a Turtle Mario game, focusing on managing complex data and interactive features.
